SGL Partners
INSURANCE & RISK MANAGEMENT

Three small words that lead to big results.

They're what SGL Partners and NFP Benefits Partners stands for. They're what we offer. They're how we provide businesses the solutions they need to do more in a time when anything less is just not an option.

More knowledge, more resources and more support. That means more choices, more customization and benefits plans that offer more.

Collaborate

Innovate

Elevate

They're more than just words to us.

They're the reasons why SGL Partners is empowered to provide the benefits solutions, insight and support that help our customers create greater value for their businesses. They're why our customers have the option to not only do more — but to be more.

Expect a Full Spectrum of Services

From compliance to communication, let us provide a full spectrum of solutions for you and your company. We understand the challenges today's employers face and know you're asked to take on more than ever. Expect more from a broker- expect our full spectrum of solutions.

Creating better results when we Collaborate

In today's corporate world, business and HR managers at companies of all sizes are being asked to do more when it comes to employee benefits...

- ☑ To provide benefits plans that promote retention by keeping current employees happy.
- ☑ To offer more robust benefits to attract prospective employees.
- ☑ To stay ahead of changing regulatory and compliance issues.
- ☑ To provide greater support on the day-to-day management of employee benefits plans.
- ☑ To find ways to save the company money — containing costs without cutting benefits.

At SGL Partners, collaboration is more than a value-add - it is our value.

We collaborate with both you and our solution providers to bring you more so you can do more with your benefits solutions, helping create greater value for your employees and your company alike.
