

# HR Information Systems

## An Introduction to Employee Navigator

The Employee Navigator platform centralizes your HR records online and syncs your employee data across multiple systems, including payroll, benefits, & time off.

### What Employee Navigator Does

#### Centralize All Your HR Efforts

##### Streamline Employee Management

Know instantly when enrollment events occur and minimize claim and billing issues.

##### Employee Self Service

Our easy-to-navigate self-service portal puts employees in the driver's seat.

##### Improve Employee Communication

Whether it's benefits, compliance, or company communications, employees are always in the loop.

##### All your Documents, Available on Demand

Whether it's benefits, compliance, or company communications, employees are always in the loop.

#### Modernize Your HR

##### Paperless

Paper forms and files are replaced by a centralized HR management console and employee portal that's always up-to-date.

##### Efficient

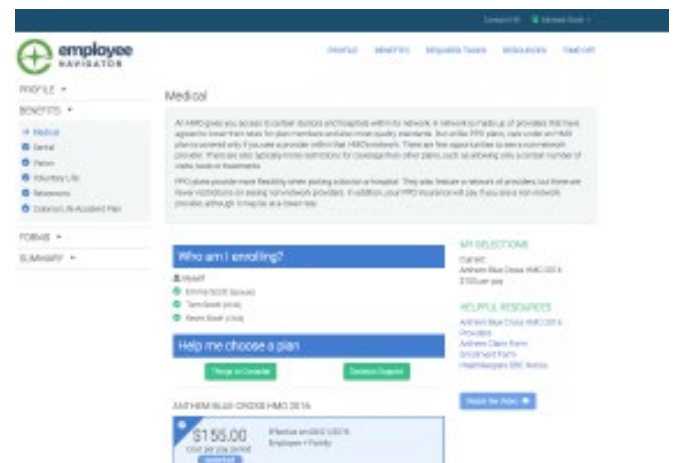

Manage your interactions for one place so you can spend more time growing your business and less time on manual processes.

##### Accessible

Help your employees help themselves by allowing HR and employees to find the information they need without having to call for support.

##### Control

Go beyond the basics and improve communication and engagement with quick access to reports and configuration tools.
